GALLOPING HOOFS
Chapter 8
"Ambushed"

By FRANK LEON SMITH.

David Kirby drags Carol from the rapids and decides she needs him for life as her protector - and she is willing. The box recovered, Kirby padlocks it onto his wrist and starts for New York. Shaw's hired henchmen put every obstacle in his way, but he catches the train by leaping from an auto to the rear platform. Other thugs are on the train. They make a daring entry through the window into Kirby's compartment, while he sleeps.
